

# CYSTIC FIBROSIS

## CENTER OF IDAHO

# We are MOVING!

610 W Hays Street Boise, ID 83702

New location at 610 W Hays St Boise, ID 83702

**Who:** St. Luke's Cystic Fibrosis Center of Idaho.

**What:** Center will be moving out of the Children's specialty center into our own building.

**When:** We will start seeing patients in the new building September 4, 2018.

**Where:** 608/610 (two buildings connected) W Hays Street Boise, ID 83702. 608 is office space for staff and 610 is the clinic space.

**Why:** We wanted to have our own space to allow for more availability to patients. We will have more days and times available and parking on site for patients.

Old location at the Children's specialty center
